

within an incorporated municipality existing at the date of the issue of said bonds, upon all land and improvements thereon within said Sanitary District; and the payment of said bonds and interest shall be provided for in the following manner: Before the regular annual levy day of the County Commissioners in any one year in which bonds have been sold, they shall estimate the amount necessary to pay the interest on said bonds for the ensuing year and one twenty-fifth of the principal of the bonds so sold, and shall levy against the property assessed within said Sanitary District a sufficient sum to pay the amount so required, and shall annually levy thereafter, for twenty-five years, a sum sufficient to retire one twenty-fifth of the issue and to pay the interest on the bonds at the time outstanding. Said County Commissioners are required to designate, in the tax books or records regularly used in the collection of State and County taxes, the properties that are subject to the tax provided for herein, and the tax collecting authorities of the respective Counties are hereby required to collect the tax so levied from the owners of the properties so designated, in the same manner as State or County taxes are collected. Property subject to such assessment shall be sold for failure to pay such tax, in the same manner as property is now sold for failure to pay State and County taxes, and such tax shall be treated in every respect as an additional County tax levied against the property within the Sanitary District. For the purposes of assessment and levy, the said Sanitary Commission shall file with the County Commissioners a plat of the Sanitary District, showing in detail the boundaries thereof; and where such bounds fail to follow any well defined or County road, the names of the owner or reputed owner of the lands through which such bounds run shall be designated. Such tax shall bear the same interest and be subject to the same penalties in the event of non-payment as in the case of County taxes.

SEC. 9. *And be it further enacted*, That the County Commissioners shall turn over to said Sanitary Commission the proceeds of the sale of said bonds. For the purpose of providing funds for the immediate prosecution of the work, the County Commissioners of each County shall pay to said Sanitary Commission, on or before July 1st, 1916, one thousand dollars out of the funds of the County, said amount so paid to be deducted by each County and retained out of the proceeds of the first sale of bonds by said County, as provided under Sec-
